# YOUR AUDIENCE ENGAGEMENT SPECIALIST

**IF COMPANIES LIKE THESE

YOU SHOULD TOO!**

**There is NEVER any Political Humor,  
No Suggestive, Ethnic, Religious or Racial  
Material of any kind - Guaranteed.**

**Not on stage, not off stage.**

requirements - which makes it easy for you!**

My focus is always, 100%, on AUDIENCE EXPERIENCE. I want them to walk away having been a part of a Positive, Hilarious, Amazing and most importantly Memorable Experience. Making sure the company or host is presented in the very best light.

By using Magic and Comedy I bring the audience closer together, creating a bonding experience between staff, clients and guests. If they can forget about their worries and everyday routines while watching the performance, then you and I have succeeded... and that's the real magic!

# WHAT JUST HAPPENED?

## THE SHOW

The music starts and Al steps in front of your guests. No one knows what to expect from him. But within 5 minutes, everyone is standing and shouting his name! Wait, something just went up in flames in his hands. The crowd bursts into laughter. From there, the excitement just goes up!

## MINGLING MAGIC

When the success of your event (Receptions, Pre-Dinner Functions and Parties) is important, quality entertainment guarantees your guest's experience to be world-class.

Al will interact with your guests while performing amazing magic and mentalism. He is your ambassador! You will hear bursts of Laughter, Gasps of Astonishment and Shouts of "No Way!", from all over the room. Using borrowed objects such as money, watches and rings, Al delivers magic right in front of their faces. Sometimes in their own hands.
